PROJECTS

0XSHG | "0" interest loans for rural micro-finance
Nov 2017
My Team and I've created an Aadhar-linked digital pan-Indian capital-pooling Decentralized App (Dapp) . Through this network, maximum possilbe microloan requests are fully funded with 0 percentage interest (least request satisfied first) and the reserve wealth is re-distributed into the system.

METACHAIN | Self-owning assets, that can function financially with complete autonomy
Feb 2018
A self-owning asset. The asset itself has legal and financial responsibility of itself, and can verify certificates itself. My Team and I've achieve this using smart contracts and IoT.
